Islam & Christianity: Definitive Differences

Islam and Christianity are not sister faiths. They are unique and exclusive religions. There are definitive differences between them.

Basic Information on Islam:
Why is Islam so popular? Why is it growing so quickly?
"The secret of Islam's powerful appeal lies in the fact that it is not only a religion regulating the spiritual side of the believer, but also an all-embracing way of life governing the totality of the Muslim's being" – Caesar E. Farah, <i>Islam:</i> 6^{th} <i>Ed.</i>
